

COOPER STANDARD'S GREINER NAMED A 2022 STEP AHEAD HONOREE

NORTHVILLE, Mich., Mar. 2, 2022 – Cooper Standard's (NYSE: CPS) Angela Greiner, senior program engineering manager, has been recognized by The Manufacturing Institute as one of its 2022 STEP Ahead Honorees for her accomplishments in bringing innovative technologies to the production floor and building the foundation for outstanding quality levels.

Angela Greiner, senior program engineering manager, Cooper Standard

"Angela's proven leadership and innovative spirit have made a great impact on Cooper Standard and we applaud her on this significant recognition," said Chris Couch, senior vice president, chief technology and procurement officer, Cooper Standard. "Along with her drive to build strong relationships and deliver innovative solutions for our customers, Angela is committed to empowering and developing the next generation of technical talent."

Through its STEP (Science, Technology, Engineering, and Production) Ahead awards, The Manufacturing Institute honors women who have demonstrated excellence and leadership in their careers and represent all levels of the manufacturing industry.

On April 28, The Manufacturing Institute will recognize Greiner's accomplishments at an awards program in Washington D.C.
