

COOPER STANDARD NAMED TO THE USA TODAY AMERICA'S CLIMATE LEADERS 2025 LIST

NORTHVILLE, Mich., April 28, 2025 /PRNewswire/ -- [Cooper Standard](#) (NYSE: CPS) has been named to USA TODAY's list of America's Climate Leaders 2025. This prestigious award is presented by USA TODAY and Statista, the world-leading statistics portal and industry ranking provider. The award list was announced on April 22 and can be viewed on [usatoday.com](#).

"From improving energy efficiency to reducing emissions and waste, Cooper Standard is continuously advancing sustainable solutions through innovation and collaboration," said Jeffrey Edwards, chairman and CEO of Cooper Standard. "We are honored by this recognition, as it reinforces our efforts and our commitment to minimizing environmental impacts and enhancing overall corporate sustainability."

The America's Climate Leaders of 2025 award recognizes companies based in the United States that have a strong environmental record, follow rigorous independent emission reporting requirements, and demonstrate significant year-over-year reductions in emissions intensity.

Cooper Standard actively contributes to the global transition to a low carbon economy. Through the evaluation and management of climate-related risks, the Company aims to strategically manage its environmental impact while promoting business innovation and resiliency. Cooper Standard's 2023 Corporate Responsibility Report, titled "[Commitment to Excellence](#)," discusses how the Company is committed to reducing its impact on the environment and taking action to manage climate risks, while also growing its business profitably.

About Statista

Statista publishes hundreds of worldwide industry rankings and company listings with high-profile media partners. This research and analysis service is based on the success of [statista.com](#), the leading data and business intelligence portal that provides statistics, relevant business data, and various market and consumer studies and surveys.
