

COOPER STANDARD'S INDUSTRIAL & SPECIALTY GROUP TO BE FEATURED ON INSIDE THE BLUEPRINT®

NORTHVILLE, Mich., Oct. 15, 2025 /PRNewswire/ -- Cooper Standard's (NYSE: CPS) [Industrial & Specialty Group](#) (ISG), the Company's business focused on diverse markets outside of passenger vehicles, will be featured on *Inside the Blueprint*®, an acclaimed business-to-business television series airing nationally on Fox Business Network and Bloomberg Television.

Produced by BrandStar, *Inside the Blueprint* reaches millions of viewers across the U.S. and internationally. Spotting innovation and industry leadership, the series shares compelling stories from companies shaping the future of commercial construction, technology and sustainability. *Inside the Blueprint*, airing on FOX Business on October 18 at 3 p.m. ET and on Bloomberg on October 19 at 4 p.m. ET as independently produced branded content, will feature Cooper Standard. The segment will also be available for streaming on both networks' websites following the broadcast.

The segment will highlight ISG's innovative approach to applying Cooper Standard's proven materials science, process engineering and manufacturing expertise to a wide range of industries. Viewers will gain insight into how ISG develops customized solutions that help customers improve performance and efficiency across applications such as transportation, window and door, HVAC, powersports, commercial vehicles, construction, industrial equipment and agriculture.

"This feature of Cooper Standard on *Inside the Blueprint* reflects the bold thinking and collaborative spirit that defines ISG," said Shannon Quinn, president of ISG. "It's an exciting way to showcase how we're pushing boundaries, solving complex challenges and helping shape the future of industries through smart, sustainable and high-performance solutions."

The *Inside the Blueprint* segment reinforces the ISG's commitment to innovation, its people and the solutions it delivers to businesses across a wide range of markets. This feature comes as ISG continues to expand its presence and visibility. ISG launched a [promotional video](#) showcasing how its powering progress across industries, and is planning to participate in upcoming industry trade shows, such as Glassbuild America and AHR Expo. Together, these initiatives highlight ISG's focus on growth.
