

65 YEARS OF EXCELLENCE AND DRIVING INNOVATION FORWARD: JEFF EDWARDS REFLECTS ON COOPER STANDARD'S JOURNEY IN AN EXCLUSIVE PODCAST INTERVIEW

Cooper Standard's Chairman and CEO, Jeff Edwards, recently joined Jan Griffiths on the Automotive Leaders Podcast. The conversation, available on [YouTube](#) and all [podcast apps](#), highlights how the Company's strong culture has enabled its ability to continuously evolve and adapt to changing industry demands, foster innovation, and deliver lasting value to our stakeholders (including customers, employees, investors, suppliers and communities).

Jeff shares that our team has built on our 65-year legacy of excellence to become a leading global supplier. Our unwavering commitment to our Purpose, Mission, and Values is the cornerstone of Cooper Standard's strong culture - a culture built in partnership with our team members and recognized as the driving force behind our business transformation and continued success. We are a Company that cares. Our customers trust our team of experts to help them deliver long-term value and design a brighter future for their stakeholders, as well as ours.
